Directions from San Juan Airport:

We are located 2 1/2 hours from San Juan. 30 minutes from Aguadilla / 30 minutes from Mayaguez

Follow The Green Parrot - Mayaguez Tourists signs. It will take approximately 1 hour to reach Arecibo. You will make a right out of the airport (1st exit - San Juan - Highway 26 - DO NOT GO OVER MOSCOSO BRIDGE). Go under overpass and exit to the right following signs to 22 Bayamon (Autopista - toll road). You will follow 22 to Arecibo and pay approximately \$4.50 in tolls (75 cents or \$ 1 each toll booth).

Once in Arecibo, #22 turns into #2 - stay left. Follow #2 to Aguadilla (about 30 mins). In Aguadilla you will pass a baseball stadium on the left. Stay on #2 for a few more miles, there will be a big sugar cane plant on your right, and then you will come to Carr. 417 (there is an overhead crosswalk there - you can't miss it). Make a right on Carr. 417 and go a couple of miles to a cemetery. At the cemetery several roads merge. Take Avenida Nativo Alers(the sign is in the middle of two roads- take the left road). Take that road a couple of more miles (you will pass another baseball stadium - then it will make a sharp right). The road will then end at #115.

Take a left on #115. Take #115, (past Aguada Balneario turn-off on right) approximately 5 miles. On the right will be #413(bo. Puntas - ElFaro sign). Take that 1.5 miles. Stay left after Red Pizza (don't go down the hill). Take the right just before the white tire and Brisas (a local bar). Follow the road around to the left at the G.T.O. Ice Plant. Vista delMar is the second right past the ice plant. We are about 1/2 of the way down Vista del Mar (rd) on the right hand side. We are the gold and green house with the Texas star on the front.

From the beach road. Vista del Mar is just west from the Beside the Point-Tamboor Tavern. Go up Vista del Mar (rd), we are 1/4 of a mile up on the left hand side just up from Sandy Beach
